

ETI Base Code Policy | Wytech Limited

Wytech is committed to the **ETI (Ethical Trading Initiative) Base Code** which asks for the following standards to be enforced at all stages in the trade supply chain:

- 1. Employment is freely chosen**
- 2. Freedom of association and the right to collective bargaining are respected**
- 3. Working conditions are safe and hygienic**
- 4. Child labour shall not be used**
- 5. Living wages are paid**
- 6. Working hours are not excessive**
- 7. No discrimination is practised**
- 8. Regular employment is provided**
- 9. No harsh or inhumane treatment is allowed**

The provisions of this code constitute minimum and not maximum standards, and this code should not be used to prevent companies from exceeding these standards. Companies applying this code are expected to comply with national and other applicable law and, where the provisions of law and this Base Code address the same subject, to apply that provision which affords the greater protection.
